

ORIONNA BRUMFIELD

Film Producer, Writer

900 Williams Street, Apt.23 Brookhaven, MS 39601 • (601) 669-5089 • brumfield.orionna@gmail.com

Dynamic and creative entry-level film producer, director, and writer, with the ability to envision the innovation of a creative idea and manage conceptual projects successfully from beginning to end. Offers resourcefulness with ability to produce works on small budgets. High impact contributor with outstanding time management and interpersonal skills and script writing experience.

PROFESSIONAL EXPERIENCE

IGN PR Agency | Atlanta, GA,

Mar. '15- present

Jr. Account Manager

- Promote client accounts through social media: Facebook, Twitter, and Instagram to keep their audience informed on their upcoming events.
- Writes press releases, if needed, for upcoming client events.
- Aid in the productivity of clients: thinks of new innovative ideas for clients with the agency.

Experience Magazine | Jackson, MS

Aug. '15 - Apr. '15

Publishing Editor

- Pitch article ideas to senior editors, proofread and edit stories looking for objective errors, such as typos and grammatical errors.
- Complete story and line editing, improving the copy by rewriting sentences to make them flow better and organizing content to make the piece more logical.
- Remove information that's not necessary, contacting the writer to ask for more information and editing to make sure an article fits in the allotted space.
- Aid in the production of stories and perform graphic design functions as needed.

Dream Careers | Los Angeles, CA

June '15-Aug. '15

Freelance Writer

- Wrote scripts, novels, and biographies, performed research to choose subject matter that interests readers, worked with editors and clients to shape the material so it can be published and manage the blog community by moderating and responding to comments.
- Produced content for website summerinternships.com and proposed ideas for future blog topics.

New Filmmakers | Los Angeles, CA

June '15- July '15

Film Producer

- Reviewed submitted films and determined acceptance into film festivals based on overall production value.
- Formulated strategies for future film postings: film dates, acceptance and/or denial dates.
- Maintained customer data and responded directly to emails.
