My goal is to earn experience working around and with film/video equipment and work my way up to directing and/or cinematography.

EDUCATION

AUGUST 2014 – MAY 2019

BA IN FILM PRODUCTION, BELHAVEN UNIVERSITY

I graduated from Belhaven University in May 2019 with a cumulative GPA of 3.097. My coursework in the film program was a general education in all areas of filmmaking, with film labs to apply the knowledge and create student films. I learned directing, editing, cinematography, boom operating, sound recording, and lighting.

EXPERIENCE

WIDE EXPERIENCE RANGE WITH FILM

I have directed and co-directed on a total of three student films and worked on crew for others. I have entry-level experience as a Gaffer, Sound Recorder, Boom Operator, Camera Operator, Editor and Production Designer. The finished films I have worked on can be found at <https://aperturefilmscape.wordpress.com/reel/>.

SKILLS

- Filmed with the Sony a6300 and a7sii cameras
- Edited with Adobe Premiere Pro
- Sound recording
- Boom operating
- Lighting
- Able to work long days
- Production design
- Work well with others
- Creative, visual thinker
- Production Assistant
- Thorough worker

ACTIVITIES/ACCOMPLISHMENTS

I am passionate about film and want to work my way to become a professional filmmaker. I participated in a 52-hour filmmaking challenge with some classmates and we were among the finalists. I also received the 'Filmmaker of Distinction' award in my final semester at Belhaven. I am most interested in becoming either a director or cinematographer. Naturally, I enjoy watching movies, along with drinking coffee with friends, playing video games, and adventuring with friends in an ongoing game of Dungeons & Dragons.
