## PROFESSIONAL SUMMARY

Dedicated professional with over 25 years of experience in logistics, set decoration, and warehouse organization. Seeking a position in warehousing and logistics to leverage expertise in inventory management, transportation coordination, and team leadership to contribute to operational excellence.

---

## KEY COMPETENCIES

- Extensive experience in logistics and inventory management.
  - Strong leadership and supervisory abilities.
  - Skilled in furniture and prop handling, including packaging and transportation.
  - Proficient in warehouse organization, load management, and ensuring safe handling of materials.
  - Background in construction (drywall, painting, tile work, flooring).
  - Excellent communication and collaboration with cross-functional teams.
- 

## PROFESSIONAL EXPERIENCE

### Leadman / Logistics Supervisor *Various Productions*

**2012–Present**

- Supervised teams for set decoration and dressing across multiple high-profile productions.
- Coordinated the return of set furniture and props to warehousing, ensuring proper inventory, packaging, and transportation.
- Managed the preparation and logistics for efficient shipping and delivery processes.
- Ensured all projects met strict production deadlines while maintaining high-quality standards.
- Facilitated warehouse organization, optimizing space for improved accessibility and efficiency.

#### **Key Productions:**

- Claws (2017–2021): Oversaw logistics for the return of set materials to warehouse facilities.
- Twisted Metal (2024): Coordinated the transportation of inventory to Canada, ensuring items arrived intact.
- Osiris (2023): Supervised logistics for set decoration and returns to California.

### Set Dresser / Warehouse Coordinator *Various Productions*

**2012–Present**

- Managed populating sets, including furniture assembly, faux labeling, and lighting setup.
- Organized warehouse spaces to streamline pickups and drop-offs.
- Ensured secure packaging for transportation and coordinated schedules with transportation teams.
- Provided on-set support, addressing urgent logistical needs efficiently.

#### **Key Productions:**

- American Heist (2013): Handled set dressing and warehouse organization.
- Bonnie & Clyde (2013): Conducted inventory management and maintained set dressing warehouse.
- Django Unchained (2012): Supervised logistics for on-set operations and warehouse coordination.
