

To Whom it May Concern

SUBJECT: Letter of Recommendation – Sineca Butler

It's my absolute pleasure to recommend Sineca Butler for a position in your organization.

I have known Sineca for over five years now and have employed her as Department Head, Hair and Special Make-up Effects for two feature films produced by our family/faith-based feature film production company. Sineca's performance was categorically spectacular!

Sineca is the absolute professional! Her personality is genuine, her initiative inspiring, her work ethic contagious and her personal and professional integrity - uncompromising.

She is always on-time and always prepared to accomplish her daily on-set tasks. Understanding that time is critical to make-the-day on film sets, Sineca is not one to waste talent time with unnecessary, and unrelated communication when executing her on-set duties. Motivated, energetic and adaptable! Sineca isn't one to wait for instructions when she sees work to be done.

I will match Sineca's make-up and SFX skills and confidence with the very best in the industry! She is a pro! Sineca has earned "first-right-of-refusal" for all our feature film productions. It would be my personal pleasure to work with her again.

Hire Sineca immediately! Challenge her with only the toughest assignments. Be quick to promote and retain. Sineca will be an excellent professional and addition to your team.

Please feel free to contact me at (706) 604-9241 or via email at – [tmanns@mannsmackiestudios.com](mailto:tmanns@mannsmackiestudios.com) should you like to discuss Sineca's qualifications and experience further. I'd be happy to expand on my recommendation.

Best wishes,
