## WORK EXPERIENCE

---

### Fitting Assistant

#### Third Rail Studios

📅 2020 - 2022 📍 Doraville, GA

- Organized photos from fittings and costume adjustments using Canon EOS Rebel T7, expediting the approval of over 144 outfits by two days
- Spearheaded costume adjustments using Brother CS6000i, delivering tailored outfits for 32 cast members and saving 17 hours of manual alterations
- Facilitated coordination between seamstresses and directors via Slack during on-set costume tweaks saving an average of eight minutes per adjustment request
- Analyzed trends in garment fitting issues using Microsoft Excel, informing adjustments that drove up actor satisfaction scores by 2.2/10 points

### Sewing Assistant

#### Southeastern Costuming

📅 2018 - 2020 📍 Atlanta, GA

- Overhauled fabric usage reports using Microsoft Excel, reducing wastage by 8% and saving \$2,308 in material costs per quarter
- Pioneered the creation of virtual costume renderings using CLO 3D, enabling directors to make pre-fit decisions and cutting fitting times by 11 hours across the project
- Trained four junior seamstresses on Brother CS6000i, doubling the daily garment repair rate from 14 to 28 costumes per day
- Supervised the assembly of custom costumes with TUKAcad, ensuring precise seam allowances and reducing rework by 18%

### Assistant costume designers

#### NOVELLE VIE

📅 May 2021 - August 2021 📍 Indiana

- Come up with the costumes and concepts of the film made sure what they saw was also my vision made sure set designer had everything g ran errands picked up last minute, revolve my life around the masterpiece and make it come to life in clothes shoes accessories and jewelry
-
