

LEE PAYTON

Stills Photographer

Emails: leewesley@the360studios.net | thee360studio@gmail.com

Location: Jackson, Mississippi

Website: www.the360studios.net

PROFESSIONAL SUMMARY

Stills photographer with experience capturing cinematic, story-driven imagery for film productions, marketing, and behind-the-scenes documentation. Known for a calm, unobtrusive on-set presence, strong visual storytelling, and reliable delivery of high-quality promotional assets. Skilled in lighting awareness, color accuracy, and secure digital workflows with a background in digital media, public relations, and narrative photography.

FILM EXPERIENCE

Stills Photographer – Alterity

Skipstone Pictures

Shot unit stills, BTS coverage, promotional images, and production documentation for the sci-fi film "Alterity," directed by Johnny Remo and Daniel Backman. Collaborated with directors, producers, and marketing teams to support the film's visual identity.

PROFESSIONAL EXPERIENCE

Digital Media Team Member – Jackson State University (2021–2024)

Produced photography and digital content for university initiatives and communications. Supported multimedia projects, maintained brand consistency, and assisted with visual strategy.

Public Relations Department – Photographer & Media Support (2021–2024)

Captured press, event, and promotional imagery. Coordinated with PR staff to deliver polished media assets and managed digital files and archives.
