

HAZEL FRANCES VANNEWKIRK

ABOUT

Hello! Im Hazel! I'm 23 years old and a local to the Natchez, MS area. After studying sound design for 2 years at SCAD, I moved to Mississippi full time to work and learn as much as I can about the film industry. I am curious, creative, and can get along with just about anyone. Growing up, I danced competitively and worked at my mom's dance studio in Charleston. Since then, I've worked in restaurants as a server, manager, bartender, dishwasher, cook... you name it. Those environments primed me to be an great problem solver and a hard worker. I thrive in team settings and will do whatever is needed to get the job done!
