## PROFILE

Award-winning **Director of Photography** with 7+ years of agency leadership experience. Specialist in high-end commercial and documentary visual storytelling for clients including Entergy, Visit Mississippi, and the MS Dept of Health. Expert in managing full-scale production crews and complex technical workflows from pre-viz to final color grade.

## EXPERIENCES

**Director of Photography | Maris, West, and Baker (MWB Creative) Jackson, MS | October 2018 - Present**

- **Visual Leadership:** Direct visual strategy and execution for broadcast and digital campaigns, ensuring brand consistency for national and regional accounts.
- **Production Management:** Lead on-set crews and oversee equipment logistics for multi-location shoots.
- **Directing & Writing:** Collaborate on script development and creative direction, often serving as a multi-hyphenate Director/DP to maintain project vision.
- **Aerial Cinematography:** Licensed drone cinematography for tourism and economic development projects, enhancing production value with aerial perspectives.
- **Award-Winning Execution:** Consistently recognized with Multiple Local and District Addy, Effie, and a National ESTO Award.
