

Eat Drink Love

Production Catering & Craft Services
Mississippi Gulf Coast

Company Overview

Eat Drink Love is a women-owned catering company specializing in film, television, and commercial production catering along the Mississippi Gulf Coast. We provide fresh, made-from-scratch meals and reliable service tailored to the fast-paced needs of production crews. Our team is experienced with long shoot days, early call times, and diverse dietary requirements.

Services Offered

- On-set catering for film, TV, commercials, and photo shoots
- Hot breakfast, lunch, dinner, and craft services
- Multi-day and long-term production support
- Early call times and flexible scheduling
- Individually labeled meals when required

Culinary Approach

We cook with fresh, high-quality ingredients and offer customizable menus based on crew size and preferences. We accommodate dietary restrictions including vegetarian, vegan, gluten-free, dairy-free, nut-free, keto, and low-carb options. Special requests are always welcomed.

Sustainability Practices

We prioritize sustainability by using recycled and paper products whenever possible, practicing mindful portioning, and reducing waste without compromising quality or service.

Production Strengths

Reliable, detail-oriented service with clear communication and a professional on-set presence. We understand production timelines and can scale seamlessly from small crews to larger productions.

Service Area

Mississippi Gulf Coast and surrounding areas.
