PROFESSIONAL SUMMARY

I am a fast learner who thrives in high-pace environments. I have experience working with Canon C100 cameras, as well as various equipment's. I am a heavy lifter who has the capability of driving a motorized vehicle. I can stand long hours on my feet, adapt on the fly, and always willing and able to see the tasks through that I start, in a quick and timely manner. I have an eye for the little details and have some experience with continuity, especially in terms of costumes. I have worked with drones, Adobe Premier, and Dragonframe software.
