

Mobile Infrastructure Solutions: Mississippi & Beyond

Premium Sanitation, Power, and Hospitality Anywhere You Need It.

At **Granny's Alliance**, we provide turnkey infrastructure for film sets, disaster recovery, large-scale construction, and elite events. We exclusively utilize **JAG Mobile Solutions** trailers—the industry gold standard for durability, hygiene, and comfort.

Our Fleet: JAG Mobile Solutions

We offer a complete range of JAG configurations to meet any site requirement. All units are climate-controlled (A/C & Heat) and feature high-end finishes.

1. Restroom Trailers

From executive "Porta-Lisa" suites to high-capacity industrial units.

- **Porta-Lisa Series:** 2–4 stations, perfect for talent and VIPs.
- **Urban & Residence Series:** 8–10 stations with wood-grain flooring and stainless sinks.
- **ADA Compliant Units:** Spacious, ramp-accessible trailers that meet all federal regulations.

2. Shower & Combo Trailers

Ensuring your crew stays refreshed, even in the most remote Mississippi Delta or Gulf Coast locations.

- **Multi-Stall Shower Units:** 8-stall "SmartMaxx" configurations with individual privacy.
- **Combo Units:** Hybrid trailers featuring both private showers and restroom stalls.
- **On-Demand Hot Water:** Propane-powered continuous hot water systems in every unit.

3. Specialty Support Trailers

- **Mobile Laundry:** 8-station trailers with heavy-duty washers and dryers for long-term deployments.
 - **Command Centers:** Climate-controlled mobile offices for production leads or site foremen.
 - **Bunkhouses:** 16-person sleeper units for 24-hour disaster or construction operations.
-

The "Full-Service" Advantage

We don't just "drop and swap." We provide the power and logistics to make your site 100% self-sufficient.

- **Integrated Power Solutions:** Every trailer can be paired with our quiet, high-output generators. You don't need a grid connection to have full A/C and hot water.
- **Fresh Water & Waste Management:** We handle the logistics of fresh water delivery and waste pumping, ensuring zero downtime.
- **On-Site Catering & Meals:** Unique to our service, we can provide coordinated meal services alongside our equipment. From hot crew breakfasts to full-day craft services, we keep your team fueled and focused.

Built for Mississippi's Toughest Jobs

- **Film Productions:** High-end aesthetics for "Hollywood South" talent.
- **Disaster Relief:** MEMA-ready rapid deployment for hurricane and tornado recovery.
- **Industrial Sites:** Rugged "Industrial H/D" models for heavy construction and MDOT projects.
