A dynamic professional with an open, energetic and diverse approach to film and video production.

## Experience

### 2008 – Present

#### **RM Media House, LLC (KPRWC), Jackson, MS**

Producer, Camera Operator, Locations Scout and Manager

Co-founder of a Mississippi film and video production company which employed hundreds of youth and industry professionals. Responsible for securing funding, maintaining schedules, and managing cast and crew. Assisted in negotiation for major and moderate budget films for and in the state of Mississippi.

### Spring 2021

#### **Spite The Movie, LLC Jackson, MS**

BTS Documentary Producer, Locations Scout

Producer /Videographer for the stories-behind-the-story. Responsible for creating engaging, behind-the-scenes documentary, social media and marketing content, EPK's, and the "making-of documentary" for the movie, *A Day to Die*.

### 2011 – 2013

#### **Mississippi Public Broadcasting**

Producer/Mentor

Taught youth how to tell their own stories, work collaboratively, set goals, develop leadership skills and share their concerns and solutions with the world through documentary and narrative film production.

### 2011 – 2013

#### **JSU TV, Jackson, MS**

Videographer/Consultant

Videographer in the field and in-house on various projects for television broadcast. Responsible for training students and other production personnel in several areas of production (set setup/breakdown, cameras, jib, steadycam, tripod, camera accessories, lighting gear, microphones, cables, audio recorders, etc.)

**Summer 2012**  
**VeryMuchSo, Sheffield, UK**  
Production Assistant

Responsible for assisting with all aspects of production. Secured transportation for production crew. Transported the production crew across the state of Mississippi. Served as liaison between the local community and production crew. Secure cast and locations for reenactments. Assist the camera operator.
