Skynet Aviation serves as an agent in obtaining air charter services for our customers. We select carriers which are fully certified by the Federal Aviation Administration and the U.S. Department of Transportation. Carriers are solely responsible for the air transportation arranged on behalf of Skynet Aviation customers. Skynet Aviation does not own or operate the aircraft on which our customers fly. Skynet Aviation is not a direct or indirect air carrier. All Skynet Aviation flights are operated by Part 135 carriers.
