Objective

My goal is to bring brilliant stories to the world. Stories have shaped our world for as long as they have been told. I will be the new storyteller that shapes the stories and brings them to life and shape the world. I constantly wish to improve and sustain a professional approach in my chosen field. I hope to bring reform to the state and resources for filmmakers in Mississippi

Experience

Before I started my education, I did small edits of my favorite shows and films. Toward the peak of my education I had a repertoire of film shorts displayed here on this site. <http://wddobs.wordpress.com/work/>

I have shot weddings, my first in August 2013.

I have been doing freelance work since Oct. 2013

Education

Ethel Attendance Center

May 2009

Graduate

Full Sail University's DCBS program

Oct. 4, 2013

Graduated with a Bachelor's in Digital Cinematography and a 3.0 GPA

Skills

I own and operate a Sony NEX FS100

I navigate efficiently in Windows and Mac operating systems.

I am fluent in editing software including Adobe Premiere, Final Cut, and Cyberlink Power Director

Additional programs include: Garage Band, Celtx, Adobe Audition, and beginning knowledge of Adobe's CS6 Master Collection.

I can prepare a budget.

I write often and in script format.

I can step up lighting for studio.

I have lead a team in film making.
